Summer Reading Program

## From Page 6-A

$\qquad$ At the end of the program Nueman taught the children to sit on the floor in the African manner, and to sing a song in two African
languages. He also played some languages. He also played some
African music and showed a short African music and showed a shon
video on some of the African coun-
tries. Exhibits around tries. Exhibits around the room dis-
played various art, artifacts, played various art, artifacts, and
products of Africa. Of particular products of Africa. Of particular
interest were the ebony carvings which included animals, such as
elephants elephants, deer, and lions, as well as figures of the king and queen
and other people. Mr. Nueman exand other people. Mr. Nueman ex
plained that the king wore plained that the king wore a neck
lace of beads. Sometimes the king lace of beads. Sometimes the king
would wear the beads over his mouth for weeks at a time, but when he wore the necklace down
around his neck, he would around his neck, he would go out
of the palace and talk to the poople of the palace and talk to the people.
Other items in the display in cluded beautiful table mats woven of raffia or banana stalks, as well as a wooden bowl and a fork and
spoon, and a woven jewelry spoon, and a woven jewelry box.
On the walls were hung some samples of cotton fabric whic
