

Church Sending Medical Supplies

The Kings Mountain Rescue Squad and Foursquare Gospel Church are sending various medical supplies to Nairobi, Kenya for use at the National Foursquare Gospel Mission first aid station.

The donations were arranged by Harry and Wanda Kyle, who are members of both the Rescue Squad and Foursquare Church, and shipping costs are being paid with donations by church members.

Homecoming Sunday At St. Paul's Church

St. Paul United Methodist Church on Candler Street will celebrate homecoming Sunday at 3 p.m. The message will be delivered by Rev. Feemster of Mt. Zion Baptist Church. Dinner will be served at 1:30 p.m.

The church will hold revival July 9-13. Guest speaker will be the Rev. L.D. Parker of St. Luke Church, Charlotte. Services will begin each evening at 7 p.m.

tions, the Kyles noted, but they are out-dated for use by the Rescue Squad.

The Kyles said there is only one doctor or nurse per 11,000 people in Kenya and medical supplies and personnel are badly needed. The Kyles plan to make a two-week trip to Kenya next July to help administer first aid. Both are emergency medical technicians. Mr. Kyle works with Lincoln County Emergency Medical Services and Mrs. Kyle works for the Gaston-Lincoln County Mental Health Association.

Foursquare representatives and students from the denomination's Bible College in California are in Kenya this month, Rev. Oscar Stalcup said.

Rev. Stalcup spent three weeks in the jungles of Nigeria last September, preaching and teaching

in villages and to pastors and speaking in the big city churches on Sundays. He plans another trip next September to lead a pastor's conference on "Giving: The Key To Growing."

"Our contacts with the Africans have been through our book ministries," he said. "Books that we've written in the local church, as well as Bibles, have been sent to Nigeria and all over the world since 1984. It has opened up a real direct link for worldwide missions through our church."

Dr. Charles Aldridge of the Belmont Foursquare Church will accompany Rev. Stalcup on next year's trip.

All of the mission trips are coordinated and co-sponsored by the International Church of the Foursquare Gospel Worldwide Missions, based in Los Angeles.

of such areas as Amesbury Road to Bethlehem Road, laying of water line and sewer lines from Blackburn to Amesbury Road, and an increased fire rating. Grover will also receive more state-shared revenues with the increased population, including Powell Bill aid for street improvements and from intangibles and sales tax. "With a little more than \$1 million in tax valuations in the area, Grover will get a larger piece of the pie when funds are distributed," said Horton. "You'll also get to vote in the town elections and run for office," Horton told visitors at the meeting who now reside outside the city limits.

Grover's tax rate is 29 cents per \$100 valuation.

McCart also pointed to Grover's low water rate and said the city is seeking to annex those areas where water is already in place and where installation of sewer lines will not be costly.

Herndon asked if Grover's speed limit will be changed if his property is annexed and noted that the 16 m. p.h. restriction in Spring Acres is "too slow." "My car won't go that slow," he told Commissioner Ronald Queen, who said town fathers wanted motorists to be aware of the small children living in the areas and slow down. "We thought we'd get their attention with a 16 m.p.h. sign," he said. There are about 15 such signs in the residential area now, according to Police Chief Paul Cash.

CPR Renewal Classes Set

The Cleveland County Chapter of the American Red Cross will offer a renewal class in adult CPR July 30 from 6-10 p.m.

To be eligible to participate a person must possess a current American Red Cross Adult CPR or Community CPR certificate. This certificate must not have expired prior to June 30, 1990.

The course cost is \$7 with an additional \$9 for those purchasing an Adult CPR textbook.

A minimum of six people must pre-register in order for the class to be held. Pre-registration is a must.
