Joint Worship Service Slated

St. Mark's Evangelical Lutheran Church, located three miles east of Cherryville, will be hosting a joint worship service with her daughter congregations. Participating in the worship service called, "Celebrating Our Common Roots," are St. John's Lutheran Church of Cherryville and St. Matthew's Lutheran Church and Resurrection Lutheran Church both of King's Mountain. The worship will begin at St. Mark's on Sunday, September

23 at 4:00 in the afternoon. Pastors participating in the celebration are Rev. Mark J. Ericson, Rev. Harold G. Skinner, Rev. Harwood T. Smith Jr. and Rev. John W. Futterer. Each pastor will have a short meditation that will reflect the history and mission of his respective congregation.

There will be a combined choir with representation from each congregation. The special anthem, "Crown Him With Many Crowns,"

will be sung. David Ratchford, a son of St. Mark's and now serving as organist and choir director at First United Methodist Church in Lancaster, S.C., will lead the combined choir and play the organ.

Following the worship service, those who worshiped are invited to a catered barbecue. St. Mark's invited her daughter congregations to help her in "Celebrating Over 200 Years in Ministry."

CCC Enrollment Highest In 15 Years

According to Cleveland Community College president Dr. L. Steve Thornburg, more students are enrolled in CCC this fall than in any quarter in the past 15 years.

About 1,630 students signed up for classes this quarter, the most

since fall quarter of 1975 when approximately 2,000 were enrolled. Enrollment in recent years has averaged about 1,300.

Although the increase is spread across the board, the college transfer program, which is in its third

year, showed a significant increase.

Dr. Thornburg believes there are several reasons for the increased enrollment. This year there was more aggressive recruiting and advertising by CCC staff and the publicity associated with CCC's 25th anniversary helped raise the public's awareness of the college. Also, some students are continuing their education to hedge their bets against a possible recession.

**GLAMORIZE
YOUR
BEDROOM**

Did you ever stop to think that you spend as much time, or possibly more time, in your bedroom than in your living room.

Yet, many people put most of their decorating emphasis on living rooms. Naturally, the living room deserves top attention because that's the room everybody sees and uses—but often not enough attention is paid to bedrooms, and there are many good reasons why bedrooms should get more.

For one thing, bedrooms are a very personal place, and, therefore, should have some unique decorating touches. Secondly, bedrooms should have an overall beautiful atmosphere because after all, you begin every day in your bedroom, and you end every day there. Bedrooms should be furnished in such a way that you have a nice place to bring your cares of the day each night; and a nice place from which to start on a new day every morning.

You might also want to consider furnishing your bedroom for snacking, sewing, writing, etc., during the day. The bedroom is your special place and it should be decorated in special ways.

We can help you bring glamour to your bedroom and make it the place you want it to be. Come on in for ideas and furnishings.
