## Books Are Donated To Gardner-Webb

The Patrick D. Nanney family of Forest City recently donated 358 books to the Gardner-Webb College Library.

The books, which date from the mid-1800s, were part of a collec-

tion owned by the late Professor Burwell Henderson Bridges and were donated in his memory. Professor Bridges, better known as "Professor Burt," operated Bridges Academy, the first school in Boiling Springs.

## Leaf Collection Begins In City

The City of Kings Mountain is starting its leaf collection program this month. Citizens are asked to note the following changes over previous years' procedures:

\*Leaves will be picked up on a continual basis throughout the city.

\*If you have an excessive amount of leaves, call 734-0735 or 734-0736 to place a work order.

\*No sticks, rocks or trash are to be mixed with the leaves or they will not be picked up. The leaf machine is not equipped for those types of debris.

\*There will be no plastic bags full of leaves picked up this year due to new requirements given to the city by the Cleveland County landfill.

Citizens with questions may call the Public Works Department between 7:30 a.m. and 4 p.m. Monday through Friday (734-0735 or 734-0736).
