

IN KM RELAYS - Lindsay Suber competes for Kings Mountain's Mountaineers in Saturday's second annual Mountaineer Relays at Neisler Natatorium. Charlotte-Mecklenburg 4-A teams won all but one of the events.

KM First In Thursday Meet

Kings Mountain's boys and girls won a four-team swim meet against Salisbury, South Point and Chase Thursday at Neisler Natatorium.

KM's boys won with 124 points, followed by Salisbury 110, South Point 44 and Chase 8. KM's girls won with 97 points, followed by Salisbury 89, South Point 68 and Chase 42.

"I was very pleased and surprised by the team effort," said Coach Gordon Edwards. "First, I had allowed our swimmers to choose different events from the ones they normally swim. I discovered talent that had been hidden before. Our goal for the team is for our swimmers to be able to swim three to four strokes well, which gives the coach flexibility in placing swimmers in events and makes the team stronger. We are approaching that goal with most of our swimmers."

Middle School Boys Win Two

Kings Mountain Middle School's boys basketball team won two of its first three games.

Last week, the Patriots defeated East Lincoln 54-43 as Bryan Leftwich scored 22 points and Daryl Wilson 14.

KM fell to Crest 44-43. Leftwich scored 14 points and Jarvis Bell 10.

Tuesday night, the Pats defeated

"Secondly, Salisbury had 40 swimmers and I thought they would beat us with sheer numbers. I was proud that our swimmers responded so well and beat them."

KM swimmers set 28 personal records and six school records. Edwards named Marie Mayse and Aaron Allen swimmers of the week.
