

HAVING FUN AT FIFTH GRADE FIELD DAY

One of the highlights of the school year for fifth graders in Kings Mountain is the sports field day held the last Friday of April at John Gamble Stadium.

This year the weatherman dashed the students' excitement but the event was re-scheduled for last Friday.

Over 200 fifth graders from the five elementary schools in the Kings Mountain district competed in running events, volleyball, football throw, softball, horseshoes, tug-of-war, sack races and other activities in the all-day event coordinated by the elementary physical education teachers.

Ribbons were presented to the top three places in each event and all children went home a winner.

The photos on this page show some of the different activities of Friday morning.
