Benefit ride set Saturday

The Harley Owners Group chapters of Rock Hill, Charlotte and Gastonia are sponsoring an 83-mile county benefit ride for David Rachal, a double amputee paraplegic in need of a new electric wheel chair, Saturday.

Over 200 motorcyclists are expected to participate. The ride is open to all motorcyclists and interested parties. It will start at 11 a.m. at Country's Harley Davidson in Rock Hill, go up I-77 to Harley Davidson of Charlotte, Billy Graham to I-85 to Carolina Harley Davidson in Gastonia, and back to Rock Hill. It is expected to take about five hours. Rain or shine, the ride will be held.

Rachal was an arm wrestler and body builder at the age of 18 when he came into contact with high voltage wire and was almost electrocuted. Although he is still mentally alert and very competent, he had to have both arms amputated below the elbow. He is paralyzed from the waist down. He's confined to a wheel chair which is too small for his size and does not work properly.

He is in need of a new electric wheel chair and a whirlpool bath.

Riders wanting information may call Country's HD at 803/327-1183, Jim Bruce at 803/324-4377 or Al Apgar at 803/925-2783.

Persons who do not ride but want to help may mail their donations to Trustee Account for David Rachal, in care of Home Federal Savings Bank, 224 East Main, Rock Hill, SC 29730.
