

# New Year... A New Life...

Strains of "Auld Land Syne" fade into the dawn of yet another New Year's Day. As we discard paper hats and streamers, we resolve to discard unwanted habits and negative attitudes.

Ahead of us are 365 opportunities to improve the quality of our body, mind, and spirit. A brand new year is about to begin! Yet, it may be difficult to alter those negative characteristics which have been so long a part of us.

There is one resolution, however, which will surely aid in reaching our desired goals. That is the practice of attending our chosen house of worship each Sabbath.

Through prayer and meditation, God will provide the strength needed to make positive changes in your life. Each week as you worship, your outlook will be refreshed and hope renewed.
