

Pioneer Clubs Week celebration planned

On Sunday, February 9, Lakeshore Presbyterian Church, 207 Hope Drive, Denver, North Carolina, will participate in the nationwide celebration of Pioneer Clubs Week with a special dinner and program put on by their Pioneer Clubs members at 5:00 pm. The program at 6:00 pm is open to the public.

Forty-five children from ages 2 to grade 8 belong to

Pioneers Clubs at Lakeshore Church. There they play games, sing, study the Bible, and enjoy activities such as camping, drama, and woodworking.

Lakeshore's club is one of more than 3,000 Pioneer Clubs in the United States,

Canada, and some 30 other countries. Pioneer Clubs was launched in 1939 by students at Wheaton College. For more information on Pioneer Clubs or Lakeshore Presbyterian Church contact the church office at 483-3265.

SEEDS FROM THE SOWER®

Michael A. Guido Metter, Georgia

A professor in a medical school said in his first lecture, "Man has a soul and a body. That's enough for the soul. For the next four years I'll be talking about the body."

As with the professor, so with most people - they give too much attention to satisfying the appetites of the body and practically none to the soul. They put everything on that which will rot in the grave, but nothing on that which will live for ever.

It's possible for you to get the things you desire, and then to wake up one morning and find that you've lost the most important thing of all - your soul.

Our Lord asked, "What shall it profit a man, if he shall gain the whole world, and lose his own soul?"
