pink, purple, blue, green, yellow, red and orange Easter eggs. Easter is always on a Sunday. I love to hunt the eggs. Most of all, I like to dye the eggs. Before I go to bed I take off my dress and try to make it into a nest. When the Easter bunny comes he puts surprises in it. They are terrific. The Easter bunny loves carrots. My favorite day in April is ... can you guess? Easter.

My Best Day is Easter

One day it was Easter and I went to my great-great grandmaw's house. When all of the guests were finished eating, we went outside to hide Easter eggs. I found two. There were 32 eggs in all. My brother found four and he goes one dollar bill. I got a quarter in mine. Then we went back into the house and we ate some cake and left. It was a happy Easter day.

Easter

Easter is just around the corner. When Easter comes we will dye eggs. We will go on egg hunts and ride horses. We celebrate Easter. Easter brings flowers, vegetables and butterflies. The Easter bunny comes on Easter and he brings us candy, tapes, and sometimes he brings big chocolate bunnies. The Easter bunny loves carrots and I like them, too. My father and mother like Easter and my friend likes Easter, too. One morning when I woke up I asked my mother if I could go to my friend's and she said, "Yes." I didn't go because I got sick. Then I had to lay in bed and take medicine. But then I got better. I was proud that I had gotten over it. I love Easter.

The Easter Bunny

Once upon a time, Maria said, "I am all ready for my Easter treats." "Hooray, hooray," said her brother Sheldon. "Don't get so excited," Mommy said. And Easter bunny came. Was it daddy? "He might be from another family," Mommy said. I know his name, but I can't tell you. It will be a contest. Maria popped up and said, "I know who it is." "Me, too," said Sheldon. And they both said together, "Daddy." Well, that's who it was, but keep it a secret. Have a happy Easter day. We love you, Daddy, the Easter Bunny.

The Easter Hunt

At church we had a good Easter egg hunt. I got so many eggs that I could not ever eat all of them. At home my brother asked for some. I gave him some because my mom said so. When I was at East School we dyed eggs. The colors were green, blue, brown, black, purple, red and orange. That was so much fun.

had to go to his doctor, Mr. Williams. After the doctor got through, Dugly's mother asked, "How is Dugly?" The doctor said, "He is fine, but will have to take medicine before he is well." By the next week Dugly was well again, but Easter had already passed.

Easter is Here

I am happy that Easter is here. The rabbit is coming. Yea! Yea! There are about 66 eggs for me. I have a nest that the bunny will leave eggs and candy in. What will you do for Easter? I like Easter, do you? Eggs hatch at Easter. The white rabbit comes to visit me every Easter and gives me eggs. My sister and I dye Easter eggs. We paint them and we have fun, fun. I love the bunny because he leaves me eggs, candy and stickers. This is a good day for me. Is it a good day for you? I like Easter a lot.

Easter

Lots of special things happen at Easter. First of all, I dye Easter eggs. Here are some of the colors that I put on them: blue, red, yellow and orange. Then we take them to my papa's house and we hide them. Then we all try to find our Easter eggs. Sometimes Papa puts money in the plastic Easter eggs. Max got the one that had the money in it last year. Do you like Easter? Well, I do. Easter is fun because you get all kinds of candy and chocolate. I really like Easter.

The Easter Bunny Adventure

One day an Easter bunny came to a store. He wanted some eggs, so I went and got some and he thanked me. He painted them so prettily that he gave me one. I went back to his straw house. I helped paint the eggs and I stayed at his house that night, but I did not want to leave. So he let me stay one more day and I stayed up all night long. That night Peter and I painted while Mr. Bunny made the baskets. In the morning my mom came and picked up Peter and me. Daddy wanted to go with me to the straw house, so we went back there. "Hello, Mr. and Mrs. Bunny. This is my daddy. He is nice." "How do you paint all of these eggs?" asked Daddy. I said, "Easy. Mr. Bunny has an egg painter, and that's me." "We will have to go now." So I went home. I got in bed. In the morning I looked beside my bed and there was a brown basket full of eggs, candy and a note from Mr. Bunny. He was in a mess because of Messy bunny. So I went to save him from Messy. We walked down the road together. And that is the end of Easter Bunny Adventure.

The Good Little CarBerry Bunny

Once upon a time there was a little bunny named CarBerry. He loved giving baskets to the people on Easter. We went to church. When we got back, we changed our clothes and then we got our Easter basket. We stayed in the house until my mom, dad, aunt and uncle hid the Easter eggs. My cousins and me tried to find them. That Easter was the best. I always want Easter to come.

Special Easter

Easter is very special. The Easter bunny comes on Easter. Easter is on a Sunday. I get to wear my new Easter dress to church. The night before Easter we always get our clothes and make alittle nest out of them. At night the

Easter bunny fills our nests with candy, treats and other things. On Easter we decorate Easter eggs all different colors. I like hiding Easter eggs and finding them. Every year we go to Sadie's house for an Easter egg hunt. This year I can't go because I have to go to a wedding. The Easter eggs have prizes inside. My sister's birthday is on Easter day. She'll get lots of presents. Last Easter we went to the parsonage and there was a big Easter bunny standing on the porch. I ran up and hugged him. Easter is very fun. We go to church on Easter. One time I was at the store trying on clothes. When I came out I saw a big Easter bunny. I love Easter.
