David and Caleb Carroll are going strong in local go-kart racing.

Carrolls strong in kart racing

For three weeks in a row, Caleb Carroll has won first place at Dixieland Raceway in Gastonia, where he races go-karts in the rookie division.

His father, David Carroll of Kings Mountain, also recently brought home a trophy in the box stock division.

After not racing for more than 10 years, David decided only for fun to drive once more. After starting in the rear, he streaked to second place after only a couple of laps.

David said he doesn't intend to start racing again. "My main concern is having my son's kart ready to race on Friday night at Southern Pride in Blacksburg, where Caleb is leading in points."

Mechanically speaking, Carroll said building karts have always interested him more than driving. Normally he spends about 12 hours a week getting Caleb's kart ready.

The Carroll racing team started out as a hobby but has quickly turned into serious business. They now have three karts and three drivers.

Softball - Kings Mountain infielder Holly Goforth was named Co-Player of the Year in the SWC in girls softball and was joined on the all-conference team by teammates Tandra Leftwich and Jennifer Carroll, both outfielders.

The other Co-Player of the Year was outfielder Traci Caskey of North Gaston. South Point's Chip Herring was named Coach of the Year.

Other all-SWC performers were pitchers Krissey Rowe of South Point and Marily McEntire of North Gaston; infielders Karen Duncan, Jennifer Pfister and Jana Gurley of Burns, Traci Tate and Shelley Henson of East Rutherford,

Those towers did everything but call my name -- and still,
I almost missed it!

I drove by Belmont Abbey College every day for years, but never thought of transferring there.

Finally I said, 'Hey, what about it?' Brilliant idea.

The Abbey accepted my college credits and made me feel right at home from the start.

And get this! The Abbey gives a grant to all students from the local area. That really helped.

And talk about convenience! So why didn't I think of the Abbey sooner? Too obvious, I guess.
