## Day Care seminar scheduled at Cleveland Community College

Cleveland Community College's Small Business Center will present a day care seminar, "Daycaring: I Love The Kids But I Hate The Stress" September 24 from 7-9 p.m. in Room 1140 in the Student Activities Center.

The two-hour seminar shows, among other things, how keeping a sense of humor and putting things in their proper perspective can help the caregiver deal with the frustra-

tions that sometimes accompany working with the kids. Presenter for the free seminar is Cindi Wood, a veteran elementary and middle school teacher with Kings Mountain District Schools. Wood also works with other teachers in the areas of stress reduction and teaching strategies.

For reservations for this free seminar call Barbara Greene, director of Small Business Center, 484-4040 or 484-4085.

## Educators endorse Ollie Harris

The North Carolina Association of Educators' Political Action Committee for Education has endorsed former Kings Mountain Senator J. Ollie Harris' candidacy for election to the North Carolina Senate.

Julia Kron, president, said in a letter August 27 that Harris' "experience in the General Assembly provides the best evidence of support for public education in our state. Harris' service will be of

great benefit to North Carolina's teachers, parents and students." Harris, a Democrat, served nine terms from the four-county 25th Senatorial District until two years ago when he was defeated.

He is opposed in November for a seat in the new 37th Senatorial District, which includes Cleveland and Rutherford Counties, by Republican Dennis Davis of Lattimore, a Crest High School teacher.

## Ballard filling in for Hoyle

One Kings Mountain principal has recuperated from surgery and is back on the job, while another is out for several weeks this fall.

Hugh Holland, principal at Bethware Elementary, was out from Dec. 20, 1991, to July 1, 1992, this past year resting up from his second surgery on his back.

Holland has had back surgery twice in the last two years, he said. This last surgery was to perform a spinal fusion on three vertebrae and to repair some ruptured discs.

While he was out, his assistant principal, Greg Payseur, served as interim principal of Bethware.

"I'm extremely excited to be back," said Holland. "I really missed being around the students."

While East Elementary School Principal Jerry Hoyle is out with his surgery, teaching assistant prin-

cipal Marie Ballard, in her 19th year as a fifth-grade teacher, will serve as principal.

Ballard expects Hoyle to be out for four or five more weeks.

She stressed that her classroom would have a full-time assistant teacher to step in when principal duties called Ballard out of the class.

Ballard also is chairman of the School Improvement Team.

## Muench honored at U. of South

Jeffrey Muench, who will be a senior political science major this fall, has been inducted into the Order of Gownsmen at the University of the South.

To become a member of this honorary student organization, founded in 1873 to recognize Sewanee's ties with the English universities of Oxford and Cambridge, students must achieve a superior grade point average. The order, which maintains and promotes university tradition and ideals, appoints students to legislative, academic and faculty committees. As an outward symbol of academic and organizational leadership, students wear black academic gowns to class.

The University of the South, popularly known as Sewanee was founded by leaders of the Episcopal Church in 1857. The university is located on a 10,000-acre campus on Tennessee's Cumberland Plateau between Nashville and Chattanooga.

Muench is the son of Dr. and Mrs. Laurence Walter Muench of Kings Mountain.

## Grover celebration is Saturday

A big post Labor Day celebration will be held in Grover Saturday from 2 p.m.-11:30 p.m.

Mayor Ronald Queen and Town Council will kickoff the celebration by dedicating the new Grover Municipal Park at 2 p.m. on Maple Avenue after which children will be invited to ride the modern slides and other equipment also accessible to the handicapped. A wide variety of crafts will be available to the public and entertainment will include fun games for the whole family and a Rescue Squad-sponsored ball game. Grover T-shirts will be available from the celebra-

tion committee headed by Lynn Rowland.

After the afternoon Park activities, the celebration will continue at 5 p.m. at Grover Fire Department where firemen will cook and serve barbecue chicken with all the trimmings from 5-8 p.m.

The day's events will culminate with a street dance from 8-11:30 p.m. on Laurel Avenue in front of Grover Industries. A DJ will provide music.

"We invite the Greater Grover

area to come out for the fun events of the day," said the mayor, who said the celebration is funded by donations from the town and from the sale of Grover shirts last year and again this year by the July 4/Labor Day celebration committee.

"Last year the committee planned a highly successful July 4th celebration and this year they decided to hold the celebration after Labor Day to draw more citizens and visitors to the community," said Queen.

## Temple sets revival
