"We played very well both on offense and defense," said Coach Cheryl Lutz, whose team dropped an earlier 2-0 decision to Shelby in Shelby.

Defensive standouts for the Patriots included Ricky Southard, Collin Goforth, Hunter Suber, Daniel Tedder, Sloan Goforth, Eric Paul, Shawn Sellers and Rusty Putnam.

# KM booters battle back to tie Raiders

Kings Mountain High's soccer team battled from behind in the second overtime to tie South Point 3-3 in Southwestern 3-A Conference action Monday night in Belmont.

The Mountaineers, 1-0-1 in the conference and 6-1-1 overall, were scheduled to host North Gaston in a SWC match last night. Dan Potter's teams will host 4-A Crest in a JV-varsity doubleheader Saturday beginning at 5:30 at Gamble Stadium.

Sarimaha Rithiphong scored off an assist from Caja Ormand with five minutes remaining to give the Mountaineers the tie with the Red Raiders. South Point had taken a 3-2 lead just two minutes earlier.

Kings Mountain went into the game sky-high and grabbed a 1-0 lead just two minutes into the game as Clay Corry scored off an assist from Rithiphong.

"After that, we kind of let down and just went through the motions," Potter said. "It was kind of a

frustrating game but I was real proud of the way our guys came back. It would have been real easy to hang our heads after South Point went ahead 3-2 with seven minutes remaining in the second overtime. But we really came back strong to tie it."

South Point tied the game at 1-1 midway through the first half; then Kings Mountain grabbed a 2-1 edge just before halftime on an incredible 35-yard left-footed shot by Mike Bridges.

"It was a once in a lifetime shot," Potter said. "That kind of thing just doesn't happen. It was a rocket to the far corner, just an incredible shot that shocked everybody."

South Point came back to tie the score again midway of the second half. Neither team scored in the first 10-minute overtime.

"They had a 20-15 advantage in shots, but most of their misses were from a great distance," Potter noted. "We hit the crossbar twice

and the goal post twice. We were all around their goal but just didn't hit the mark."

Potter said South Point's defense kept dropping back closer to the goal, making it very difficult for Kings Mountain to score.

"But our guys are learning to handle frustration," he said. "We have to learn how to pull the other team out of the goal area."

In action last week, the Mountaineers got two goals from Caja Ormand to defeat R-S Central 2-0 in their first conference game Wednesday at Gamble Stadium.

Rithiphong and Lewis Nance got the assists and Damon Putnam and Brad Putnam split goal-keeping duties.

"That team just always gives us a fit," Potter said. "I don't know what it is."

R-S Central tied the Mountaineers last year for the only blemish on KM's conference championship regular season.

# Editor takes early lead in picking the winners

By LES SEE  
Ye old editor is back where he belongs.

Gary Stewart picked 10 of 15 winners of area high school and college football games last week to grab a one-game lead in the Pigskin Pickers contest. Stewart won the contest three years in a row before being embarrassed by Daring Darrell Austin and Bullet Bob Hayes last year.

Darrell and Bob had to settle for a tie for second last week, compiling a 9-6 record. John McGinnis, the first of 10 weekly guests,

brought up the rear with a 7-8 mark.

Tie Dye and his Auburn War Eagles handed the lead to Stewart by booting a last-second field goal to beat LSU.

This week's guest is Jake Dixon of Home Federal Savings Bank fame. He's also runs the clock for Kings Mountain High's home football games, and he plans to get the guests back into the thick of the battle before Stewart goes into his prevent defense and runs the clock out on the other three.
