

Bloodmobile visit set February 18

The annual soup bloodmobile will be held Thursday, February 18 from 1-6 p.m. at First Baptist Church in Kings Mountain.

Sandi Bolick, director for blood services, urges all eligible Kings Mountain area donors to give a pint of blood at this visit. No appointment is needed.

"In Kings Mountain we still like to roll up our sleeves and help our neighbors," Bolick said. "It's the Kings Mountain way of living and it's what makes our community special. It's a good feeling to know that if you ever need blood it comes from your healthy, caring neighbors. Be a great neighbor and donate blood regularly."

A Few Who Care

If the true measure of a college is how students feel about their instructors, Gaston College is second to none.

Top credentials are only part of it. Gaston College instructors take the time to counsel, advise, and go the extra mile. They truly care about their students and it shows.

So when you consider college, consider a place where you're more than a number, you're a person someone cares about.
