

Paying the Price

Today we live in a materialistic world. Get this! Get that! Charge this! Don't do without that!

We have become a cashless society depending upon plastic cards and automatic money machines. We want it all — NOW! That's the key problem of our times. Spend, spend, spend! Easy come, easy go. Just sign on the dotted line and away we go. Charge now, pay later seems to be the trend.

God doesn't care how much or how little you have. It doesn't make any difference to Him if you're blue-collar, white-collar or dirty-collar. It is the quality of your life, not quantity, He seeks.

You want credit and interest? Try giving God the credit He deserves for His interest in you.

We are governed by God's generous terms. Effective now, not later.
