**Lifeguard training classes at KMHS**

Kings Mountain Parks and Recreation Department is conducting a Lifeguard Training Class at Neisler Natatorium beginning April 1 at 7:15 p.m.

Lifeguard training is the most current Red Cross certification course for those interested in waterfront employment for the summer and is the only certification many pools will acknowledge as a qualification for employment.

Participants must be at least 15 years of age by May 25, a competent swimmer and diver and have the ability to tread water for one minute. The suggested course length is 27 contact hours for the water and the book work portions

of the course. An additional six to eight hours is required to complete the new Red Cross Standard First Aid course before the Lifeguard certificate is issued.

The City of Kings Mountain is taking applications for guard positions at the Deal Street Pool and at Moss Lake for the summer and this course work is required to be considered for employment.

There will be a small registration fee charged for the class and each student will need to cover Red Cross costs for materials as they are necessary. For more information contact the Parks and Recreation Department at 734-0449.

**Baseball drafts set at Deal Street**

Player selection dates for registered baseball participants have been announced by Recreation Director David Hancock.

The schedule:  
Coach pitch for ages 7-8 on March 27 at 11 a.m. in Field 2.  
Minor League for ages 9-10 on March 20 at 10 a.m. in Field 2.

Major League, ages 11-12, on March 20 at 2 p.m. in Field 2.

All new participants and anyone moving to a different league or age group must attend the draft practice.

The child's age on August 1 will be the league playing age all year long, reminds Hancock.

**Candy wrappers benefit baseball program**

Save Leaf Candy wrappers. That's the project of the Kings Mountain Parks and Recreation Department to raise money for the city's baseball programs.

Recreation Director David

Hancock has put collection boxes at Harris-Teeter, Winn-Dixie and the Community Center.

Funds from the wrappers will go into the baseball fund, says Hancock. Call 734-0449 or 739-9631 for a list of Candy Leaf products.
