NOTICE OF REGISTRATION AND **VOTING AIDS FOR ELDERLY**

AND HANDICAPPED VOTERS Pursuant to Public Law 98-435, the State Board of Elections, by and through its Executive Secretary-Director, hereby advises that certain modifications in North Carolina's voting and registration procedures and facilities have been effectuated for the purpose of facilitating registration and voting by the elderly and handicapped citizens of the State. Please be advised:

(1) Registration facilities and polling places in most elections precincts are now physically accessible to the elderly and handicapped in those instances where polling places cannot be made accessible, elderly and handicapped voters may vote ballots at curbside or request assignment to an accessible facility for the purpose of voting.

(2) Instructions on casting ballots, printed in large type, will be conspicuously displayed at each permanent registration facility and each polling place.

(3) Any voter is entitled to assistance in casting votes from the person of his or her choice.

(4) The opportunity to vote by absentee ballot is available. No notarization or medical certification is required of a handicapped voter with respect to an absentee ballot or application for such ballot. You may inquire as to absentee voting procedures by contacting your local board of elections.

Notice is hereby given for implementation of an amended CDBG project (as named above). An Amended Environmental Review has been prepared for the project to evaluate an expansion of previously reviewed activities into several new project areas. The amended projects would be untertaken by the City under the provisions of the Housing and Community Development Act of 1974, as amended.

The Second Street CDBG Project is located on Second Street and Landing Street in the City Of Kings Mountain.

A previous Notice for this project appeared in this paper on February 13, 1993. Activities proposed at that time included Drainage, Housing Rehabilitation, Street Improvements, Sewer and Water Improvements.

A new activity consisting of the clearance of 1 vacant dilapidated dwelling has been added to the Project.

In addition, street, sewer and drainage improvements are proposed for the following new areas;

Street resurfacing projects on Henry Street, Church Street, Lynn Street, Grace Street, Fourth Street, Stowe Acres and Blanton Street; sewer and drainage project in the Tate Terrace Ditch area of Chestnut Street and Baker Street.

These activities would be financed with approximately \$93,888 of CDBG

The project was systematically reviewed to determine the impact of certain environmental factors upon the project and the probable impact of the project upon certain environmental factors. Project modifications and alternatives were considered, and it was determined that the previous Finding of No Significant Impact (FONSI) remains valid. Thus, no Request for the Release of Funds and Certification is made to the NC Department of Commerce.

An ENVIRONMENTAL REVIEW RECORD has been prepared for the project and may be examined between the hours of 8:30 am and 5:00 pm, Monday through Friday, at: Office of the Director of Planning
