REV. GEORGE BRITT

### "The Peace Treaty That Stirred The World"

Time Magazine said: "The Berlin Wall fall, the cold war ended, the Soviet Union collapsed. Now, in a moment that astonishes the spirit as well as the mind, Israelis and Palestinians embrace."

An ABC Correspondent asked: "Why at this time?"

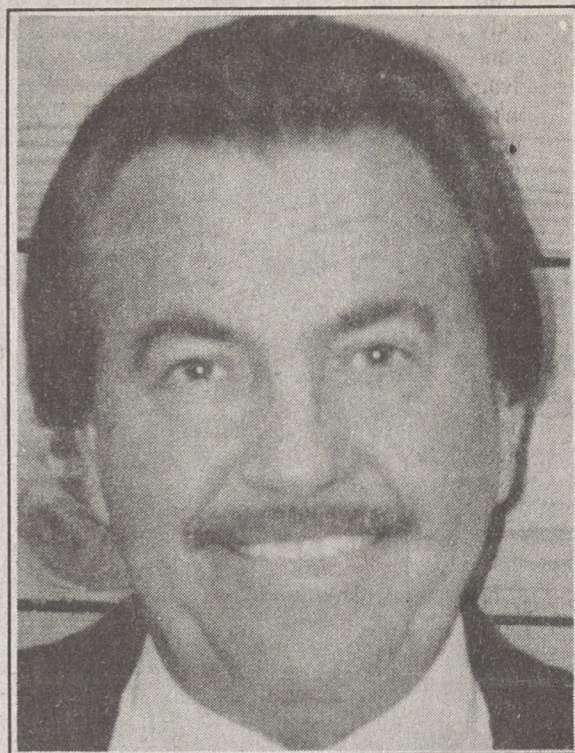

Does the Bible declare that a besieged Israel will sign a peace covenant with a strong ruler at the very end of this age and designate this ruler's domain?

Does Scripture reveal the chronological relationship of this peace covenant and the rapture of the Church?

Come and hear well know author and teacher George Britt as he discusses these questions at the Family Worship Center Church of God, 1818 Shelby Rd. in Kings Mountain, Tuesday, Oct. 5 at 7 pm.
