Moses Okorie Nueman, native of Nigeria, West Africa and a Kings Mountain resident, delighted Honors English students at Kings Mountain High School recently with a review of the book," Things Fall Apart," by Chinua Achebe.

Nucman, President of First Africa World Trade of Kings Mountain, spoke on a program arranged by Susan Patterson to English students in the Library of the high school.

Nueman talked about the tribes and cultures and illustrated the subject with slides and with a world globe and African artifacts.

Nigeria is one of the largest countries in West Africa, bordered

in the east by Cameroon, on the west by Benin, on the north by Niger and on the south by the Atlantic Ocean. Nigeria has a population of about 100 million people and is one of the world's largest producers and exporters of crude

Nueman said Africa is one of the seven continents of the world and has 53 countries divided into five zones of regions, including North Africa, South Africa, Central Africa, East Africa and West

Nueman, who has been in the U. S. 13 years, is married to Marlene Claudie Grier Nueman of Kings Mountain.
