

MRS. ROBERT ROSCOE LINGERFELDT JR.

## Riddle-Lingerfeldt

Long Creek Presbyterian Church was the setting Saturday for the wedding of Alicia Fowlkes Riddle and Robert Roscoe Lingerfeldt Jr.

Rev. James S. Welch Jr. officiated the ceremony for which Evelyn Bridges was organist and Mark Bridges and Donna Landers were soloists for the program of nuptial music.

The bride was given in marriage by her father. She wore a formal gown of white Cinderella satin designed with a dropped waist, flounced skirt and Bishop sleeves enhanced by Victorian pearl-buttoned cuffs. The bodice featured a Princess neckline lavished embroidered with lace and seed pearls. The skirt was enhanced by an attached Cathedral train trimmed with embroidered lace and motifs. Her pearl and embroidered fingertip-length veil was attached to a crown of flowers and pearls. She carried a bouquet of roses and lilies.

Betty Nevetral Engels of Matoaca, VA was matron of honor. Bridesmaids were Julie Ann Humphries of Colonial Heights, VA, Lisa Marie Miller of Reston, VA and Robin Lingerfeldt-Mower of Kings Mountain, sister of the bridegroom.

All the attendants wore black black velvet gowns designed with drop waists with emerald green iridescent skirts. They carried bouquets of lilies. Shea Drawdy of Kings Mountain, cousin of the bridegroom, was flower girl.

The bridegroom's father was best man.

Christopher Lingerfeldt of Kings Mountain, brother of the bridegroom, ushered with Tommy W. Riddle of Bessemer City, uncle of the bride, and Mike Mower of Kings Mountain, brother-in-law of the bridegroom.

The bride's parents hosted the reception after the ceremony at Holiday Inn.

The bridegroom hosted the rehearsal dinner Friday at Holiday Inn.

Mr. and Mrs. William E. Riddle of Colonial Heights, VA are parents of the bride. A 1986 graduate of Colonial Heights High School, she earned her B.S. degree in 1990 from Radford University. She attended Radford University Graduate School and is a founding sister of the Delta Psi Chapter of Sigma Kappa. She currently works at Ethel Sports Marketing Inc. in Harrisburg.

Mr. and Mrs. R. Roscoe Lingerfeldt Sr. of Kings Mountain are parents of the bridegroom. A 1982 graduate of Bessemer City High School, he is co-owner and Vice-President of Lingerfeldt & Sons Inc. Construction Company.

After a wedding trip to the Pocono Mountains, the newlyweds will reside in Kings Mountain.

## Mrs. Whisnant hosts Kings Mountain Garden Club

The October meeting of the Kings Mountain Garden Club was hosted Wednesday by Mrs. Laurin Whisnant at her home on Merrimont Avenue. The walkway was bright and inviting with multi-colored Impatiens and yellow chrysanthemums.

Upon arrival, members were served a dessert plate of apple cake with caramel icing, nuts and tea or coffee.

Mrs. Terry Leonard, president, called the meeting to order and asked for any new members wished to share. The secretary and treasurer's reports were followed by the distribution of rough drafts of the club's new yearbook in its revised form.

Standing committee reports began with Mrs. Jim Simpson reporting from the beautification committee about plans for a proposed campaign to cleanup and enhance the community. Project plans call

for initial steps by the club itself, which would eventually expand to include participation by other clubs and organizations and coordinated efforts with the city.

Mrs. S. R. Suber III discussed the publicity provided by the community actions committee.

Mrs. Vernon Crosby gave timely tips from the horticulture committee. She suggested that October is "a season to do and to enjoy" by getting things ready for spring. Fall is the time to plant bulbs, prune perennial borders, transplant seedlings and shrubbery, start a compost pile with fallen leaves, and dig flower and vegetable beds which will be ready for spring plantings. Since the first frost usually comes around October 21, it's time to bring in plants that might freeze. The fruit of the month is the grape and the flower of the month is the chrysanthemum. Crosby shared an interesting recipe for

"Grape Seville."

Jeanne Ware will begin a new scrapbook with large pages to allow attractive displays of club news.

The final item of business concerned plans for the Woman's Club Fall Festival October 20. Mrs. Charles Neisler will decorate the club's table display and niches will be provided by Leonard, Suber, Mrs. David McDaniel and Whisnant.

Mrs. Modie Houston presented a program on "Poppies." Since poppies are not blooming now, she brought pictures of poppies she has painted from her garden, showing shades of sherbet, pink and red. She noted that poppies are one of earth's oldest flowers, having origins in the Orient, with 90 varieties known today. As she passed around a seed for members to see, she ex-

plained that poppies generally bloom in May and June with the exception of the Iceland variety, which blooms much longer. The leaves resemble fronds on a fern and the milky juice is used for producing codeine and opium. Other interesting facts mentioned were the use of the golden poppy as California's state flower and the poppy's designation as flower of the month for August.

Houston closed the program by reading the poignant poem, "In Flanders Field The Poppies Grow Beneath the Crosses Row on Row," and noted that American Legion Auxiliary Unit 155 of Kings Mountain sponsors the annual distribution of poppies for benefit of veterans and their families on Memorial Day weekend. The paper poppies are made by hospitalized veterans in the state's VA Medical Centers.

## Mrs. Crawford hosts Town and Country Garden Club

Town and Country Garden Club met October 14 at the home of Glenda Crawford. Club members were greeted by a look of fall in Mrs. Crawford's yard and home.

Dot Dixon read the Club Collect. Minutes of the last meeting were accepted as information.

The club heard information on the annual Fall Festival at the Kings Mountain Woman's Club. Much discussion was given to the club's display entitled "Remembering Columbus." It was decided that Ginger Hall, Glenda Crawford and Ginnie Arnette would help fill the three niches as-

signed to the club.

Secretary Nancy Scism announced that it is time to order calendars for 1994. Ginnie Arnette made a motion to order them and Dot Dixon seconded.

Ginnie Arnette gave a very informative program on "Bulbs." She

reminded members of many arrangements that they could place in their yards. Mrs. Arnette also told of many ways to enjoy bulbs in the home during the winter.

Mable Goforth reminded members of what to do in the garden during the month of October.

## Star gazing set at Crowders Mountain

"Night Skies of Fall" - an evening of star gazing - will be held Saturday at 7 p.m. at Crowders Mountain State Park.

lake parking area. Take binoculars and a flashlight. The program will last about 1 1/2 hours.

For more information, call 853-5375.

Participants should meet at the
