To My FELLOW CITIZENS

Please **MULLINAX** over this

MULLINAX

I support an equal distribution of street maintenance to all areas of Kings Mountain

I favor open access to all Kings Mountain City Parks by the citizens of Kings Mountain

I support a form of city government where the City Manager works under the direction of the City Council and is responsible to the City Council

I am in favor of updating the 1976 zoning code ordinances to make them equitable to all within the city limits

I am willing to work with local industries to provide services which will ensure industrial expansion and growth within our city

I support attracting industry which will help stabilize our tax base and create greater employment opportunities for the citizens of Kings Mountain

I promise to be available to listen and respond to citizen concerns and do all that is possible to resolve these problems

I believe in an open and accessible Government to ensure all citizens that their tax dollars are working for them, and not against them

In closing, I want you, the voters, to know that I am NOT a candidate who is running to serve my own special interest. I AM a candidate who will be a voice for the Citizens of Kings Mountain. I want to make our city a better place to live, work, and play for you, the citizens of Kings Mountain.
