Are You Tired of Buying Hearing Aid Batteries?

The new Electone Rechargeable hearing instruments eliminate the need for regular hearing instrument batteries - so you never have to buy and replace these again!

The Electone Rechargeables are worn ENTIRELY IN THE EAR and come with an easy-to-use charging case. Just recharge these sophisticated instruments overnight and by morning, they're ready for a full day's listening pleasure.

Plus, the sophisticated circuitry of the Rechargeables takes advantage of your ears' natural amplification for a clearer sound.

The new Electone Rechargeables are available from my friends at:
