

Kings Mountain Coach Nelson Connor gives sign to his base runner in Southwestern 3-A Conference game with South Point Friday at Lancaster Field. KM won 13-4.

## KM routs Red Raiders 13-4

Kings Mountain's Mountaineers got their bats moving and got another complete game performance from senior right-hander Duane Patterson to rout Belmont South Point 13-4 in Southwestern 3-A Conference baseball action Friday night at Lancaster Field.

Patterson scattered seven hits and struck out seven to earn his second straight win, giving the Mountaineers a 2-1 SWC record and 2-2 overall mark. South Point fell to 2-2 in the conference.

The Mountaineers, who had collected only 11 hits in their first three games, got nine against South Point pitchers Brent Carpenter, Heath Cherry and Brian Norris.

South Point grabbed a 1-0 lead in the top of the first inning on a home run by Chad Honeycutt but Kings Mountain came back with a pair in the second inning, and then broke the game open with a six-run fourth inning which was highlighted by Michael Bell's grand slam home run.

"The most important thing about this win was that we didn't quit," said Coach Nelson Connor. "In the first inning we got two quick outs and then the boy knocked one out of the park. But Duane settled down and pitched a good ball game.

"Duane really battles," said Connor. "There's not a whole lot of frills about him - no trickery - he just squares his shoulders up and comes at you. As long as he keeps the ball down he's going to be tough to beat.

"The home run ball he threw was a good pitch. It was down. The batter just got down there with it and got all of it. It was a good stroke, but he hit a good pitch."

Kings Mountain grabbed the lead with two runs in the second inning, aided by a pair of South Point errors. Chris Hutchins' two-out, two-run single scored both runs.

Then, the Mountaineers scored six in the fourth to take an 8-1 lead. South Point starter Brent Carpenter hit Sharee Hopper, who stole second and scored when Brian LeFevers' fly ball to center was

dropped. Carpenter then hit Bryan Leftwich and Hutchins to load the bases, and walked Patterson to force in a run to make it 4-1. South Point Coach Mickey Lineberger replaced Carpenter with Heath Cherry, who struck out Kenny Bridges but then gave up a grand slam to Bell which made it 8-1.

An RBI single by Leftwich followed hits by LeFevers and Hopper to give the Mountaineers a 9-1 lead after five innings. South Point scored three in the top of the sixth, including two on a triple by Jamie Worley, to cut the margin to 9-4

Connor said he considered taking Patterson out in the sixth because he had thrown a lot of pitches. "But he just absolutely didn't want to come out," the coach said. "He's been resilient so far. He's a very competitive young man and I like the way he pitches."

The Mountaineers closed out the scoring with four runs in the bottom of the sixth. South Point committed three errors in the inning and the Mountaineers got singles

by Kenny Bridges, Hopper and LeFevers.

Hopper and LeFevers led the KM hitting attack with two hits each.

"I was extremely happy that we won big," said Connor, "but I would say that's going to be the exception rather than the rule. We're going to have to scratch out a lot of wins, and that's okay too."

Connor said he was pleased with his team's defensive play despite three errors

"None of our players quit," he said. "In one instance, South Point had runners on first and second base and the batter hit an absolutely perfect double play ball to second. Our man didn't get the handle on it, but he didn't get down and quit. We continued to scrap and that's what we have to do to win."
