

# The Most Priceless Present

Mother's Day is once again approaching, bringing with its sentiment an annual dilemma... "What present will I give Mom this year?"

The solution is simple, yet profound...inexpensive but priceless. There is no shopping and no complicated preparations. She doesn't have anything similar, and it will never become lost or worn. Shall I tell you more?

Whether you are young or young at heart, here is the answer. Give Mom a spontaneous squeeze or surprise her with those favorite wildflowers you gleefully gave to her as a child. Confide in her for the first time that occasion when she was "right after all". Tell her how much she resembled a princess in that special silken dress with the flowing skirt.

Give Mom the innocent adoration of childhood...the gift she thought was gone forever. As you worship this Mother's Day remember that childhood innocence is the most priceless present we can give to Mother...and to God.
