Riding Will Never Be The Same.

Searching for the ultimate trail riding experience? Meet the new Polaris Sport 400L. It has a feisty, liquid-cooled, 400 engine. And automatic Polaris Variable Transmission (PVT), with new E-Z shift high and reverse gears, so you can concentrate on the ride. A rear suspension with 8-1/2" of travel to get you over the rough spots. And single-lever hydraulic disc brakes and full floorboards. So climb on. And get ready of the ride of your life.

"The new Polaris Sport 400L also has a rear suspension with 8-1/2" of travel to get you over the rough spots."

Polaris ATV's may not be ridden by anyone 18, and all riders should take a safety course. For safety and training information, see your dealer or call Polaris at 1-800-POLARIS. ATV's can be hazardous to operate. For your safety, avoid excessive speeds, and never ride on paved surfaces or public roads.

POLARIS Believe it.
