

Dreamer's Ho

Register each week at these area sponsors and you may be a winner

A lucky person from this area will win a great Florida vacation for two. They will stay at the St. Petersburg Beach Hilton with lodging for 7 days and nights. Morning and evening meals will be provided along with round trip transportation. There will be local entertainment as the season permits.

DREAMER'S HOLIDAY RULES

You must register with at least one of the participating firms in order to be eligible to become a winner of the "DREAMER'S HOLIDAY." Registrants must be at least 21 or married. The "DREAMER'S HOLIDAY" winner will enjoy seven days and seven nights lodging at the St. Petersburg Beach Hilton in St. Petersburg Beach, Florida. Lodging and morning and evening meals will be provided during the stay. Local entertainment will also be included, as the season permits.

A \$600 cash travel allowance is included for the winner.

Employees of sponsoring firms may register at any place of business other than their own. Shoppers may register at any or all participating businesses where one name will be drawn each week for four weeks beginning June 30th, 1994. These people will be "Preliminary Winners" and will be candidates to win the "DREAMERS HOLIDAY."

The "DREAMERS HOLIDAY" winner will be drawn from the preliminary winners who have appeared in each of the sponsor's individual ads in the Kings Mountain Herald and the Cherryville Eagle during the first four weeks of the drawings. Those names will be announced for the first time beginning July 6th, so our readers must look at each ad each week to see if their name or those of their friends have been drawn. The Grand Prize winner will be drawn on August 12th.

Registration will take place during the week prior to each drawing for four weeks. Registration boxes will be emptied after each weekly drawing. Registration for the final drawing will end at the close of business on August 8th, 1994.

During each of the four weeks of the drawing, 12 preliminary winners will be drawn for \$25 gift certificate prizes.

The "DREAMER'S HOLIDAY" winner may take the vacation at any time within 12 months after winning. Reservations must be made at least 30 days in advance. Should the winner fail to respond prior to January 1, 1995, another drawing will be held from the remaining preliminary winners and that person will be declared the winner.

All reservations for the St. Petersburg Beach Hilton will be subject to availability.

There will not be a cash exchange for the vacation, however, the vacation is completely transferable.

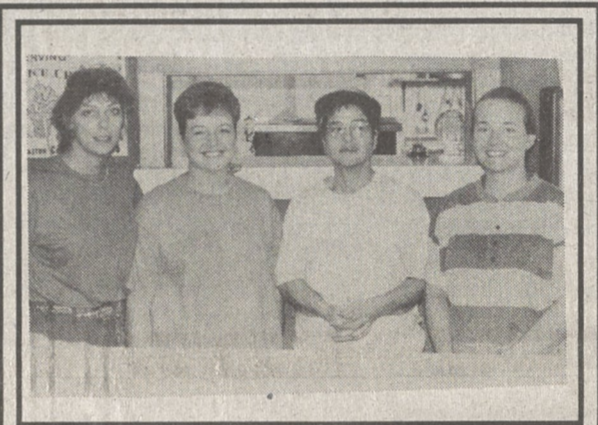

Republic Newspapers employees and their families are not eligible.
