DREAMER'S HOLIDAY RULES

Register each week at these area sponsors and you may be a winner. A lucky person from this area will win a great Florida vacation for two. They will be candidates to win the "DREAMER'S HOLIDAY".

You must register with at least one of the participating firms in order to be a candidate to win the "DREAMER'S HOLIDAY". The "DREAMER'S HOLIDAY" winner will be drawn on August 12th.

A \$600 cash travel allowance is included for the winner. Employees of sponsoring firms may register at any place of business other than their own business where one name will be drawn each week for four weeks beginning July 6th, so our readers must look at each ad each week to see if their name will be drawn on August 12th.

Registration will take place during the week prior to each drawing for four weeks beginning July 6th, so our readers must look at each ad each week to see if their name will be drawn on August 12th.

During each of the four weeks of the drawing, 12 preliminary winners will be drawn. The "DREAMER'S HOLIDAY" winner may take the vacation at any time within 30 days in advance. Should the winner fail to respond prior to January 1, 1995, and that person will be declared the winner.

All reservations for the St. Petersburg Beach Hilton will be subject to availability. There will not be a cash exchange for the vacation, however, the vacation is non-transferable. Republic Newspapers employees and their families are not eligible.
