## Meet coaches Monday night at high school

Kings Mountain High School and the Mountaineer Club will host a "Meet the Coaches Night" Monday, August 22 at 6:30 p.m. at John Gamble Stadium.

All student-athletes who are participating in fall sports and their parents are invited to attend. Teams involved include football, volleyball, soccer, crosscountry, girls tennis and cheerleading.

A hot dog supper will be provided. Afterward, the coaching staff will be introduced and each team along with parents will break off into small groups where coaches will discuss rules and expectations for the upcoming season. Fall sports schedules will be given to parents, and parents and students will be eligible to win door prizes.

Athletic Director Phil Weathers said the night provides an opportunity for the public to show its appreciation to players, coaches and the Booster's Club for their contributions to school athletics. Weathers said similar activities will be planned prior to the winter and spring sports seasons.

"We're looking forward to the fall season getting under way,"
