The Birth Of Jesus Christ

One night Joseph went to Bethlehem to be taxed. Mary's child was ready to be born. They tried to find a place in the Inn. They couldn't find a place for Jesus to be born so a man let them stay in his barn, While Jesus was being born three wise men were following a star to get to baby Jesus. After Jesus was born, Mary placed him in a manger, The star had led the wisemen to baby Jesus. They brought Jesus three gifts. The reason Jesus was born was to die on the cross. When Jesus died we still celebrate Jesus birthday as Christmas. Most people celebrate Christmas as the day Santa brings presents but the real reason we celebrate Christmas is to celebrate Jesus' birthday.

Christmas does not mean toys and gifts under a tree, it means that that's when the Savior called Jesus was born. That's what Christmas means to me.

Brandy Greenwell The Night Santa Got Lost

Santa had not brought Rudolph so he couldn't see well. The reason Rudolph wasn't with him was because Rudolph had a real bad cold and his nose wouldn't light up. When Santa left he told Rudolph to stop crying he'll get to go next time. Then Santa left. When he was going he ran into some fog so he couldn't see. When he was going through New York he got lost at The Empire State Building. So he just sat on top of the building for the night. By morning he was half frozen and had not gave out any presents. He was glad that the fog was gone but mad because he didn't give out any presents. When he got out he found out that Mrs. Claus had took Rudolph because his cold was gone, and went and gave out all the Christmas presents to the girls and boys. He told her what happened and she wasn't mad at all.
