Bill Marcellino  
Are you frustrated by fluctuating, unpredictable interest rates and their impact on your investment income? Would you like an investment that offers a predictable stream of income designed to increase each year?  
If these matters concern you, plan to attend my educational luncheon titled "Positioning Your Savings For Rising Income."  
Learn how to:  
\* Protect your income from falling interest rates.  
\* Position your savings to produce income that keeps up with inflation.
