

Cancer Society to raffle car

The Cleveland County Unit of the American Cancer Society is sponsoring its annual Keep the Wheels Rolling car giveaway through December 7.

Tickets for a chance at a 1996 Pontiac Sunfire SE Coupe may be obtained for a \$100 donation to the American Cancer Society.

Board members will be selling

the tickets and tickets will also be available by calling Joe Smith at 739-4565.

The Sunfire has a compact disc player, tilt steering wheel, passlock theft-deterrent system, anti-lock brakes and driver and passenger airbags.

The drawing will be held Thursday, Dec. 7 at 4 p.m. at the

Cleveland County Chamber of Commerce. Door prizes and refreshments will be available at the drawing.

Proceeds support cancer research. Over the years, the American Cancer Society has donated more than \$90 million to cancer research.

Fire Department has mock disaster

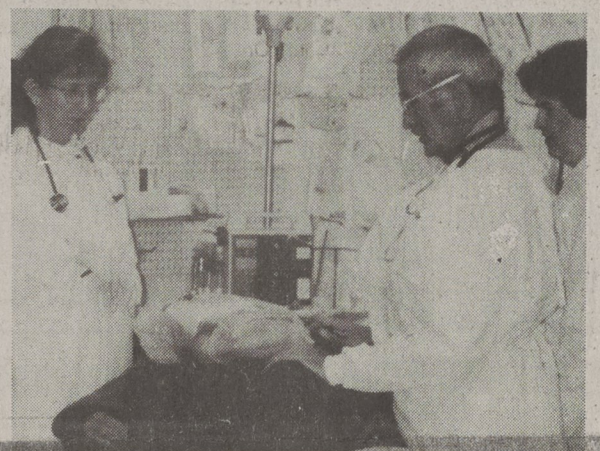

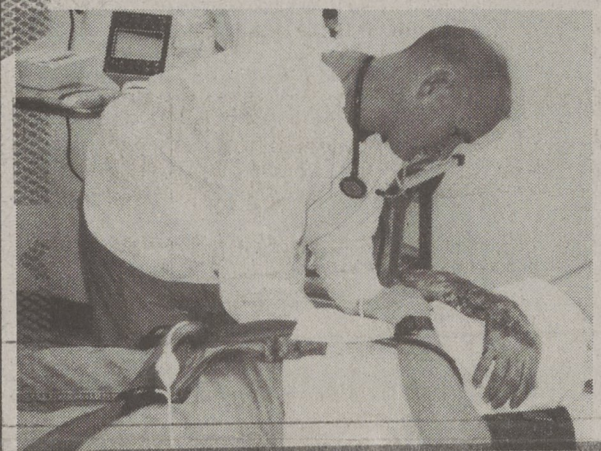

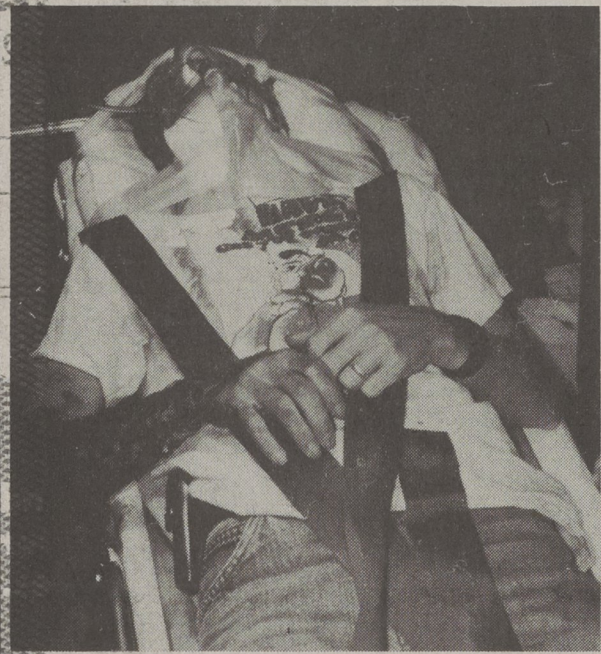

Kings Mountain Fire Department, assisted by EMS volunteers, simulated an airplane crash in the Kings Mountain area last week and gave the Kings Mountain Hospital staff an A-plus for its quick response in treating the eight victims.

We had only one mock fatality," said Chief Frank

Burns, who said that the first drill was conducted in about two hours.

The victims were actually members of the Rescue Squad who dressed to look the part of crash victims carried to the hospital by ambulance and by car.

"Our local hospital has a super staff
