## SHIVERING... BUT SURE

There are better places to seek shelter than a doorstep. But not if you know the door is sure to open!

This isn't just a picture of a cold, wet puppy. It is a portrait of *faith*.

And of the things which so often go with *faith; patience and courage.*

Fortunately, for mankind, the doors that inspire these spiritual qualities are already open. Our churches and synagogues invite us to worship God, to study His truth, to discover the strength which religious conviction imparts to life.
