

I do not worry.

My family doctor and my health

plan give me access

to the power of The System.

Kings Mountain Hospital

and all the resources of

The System's

advanced procedures,

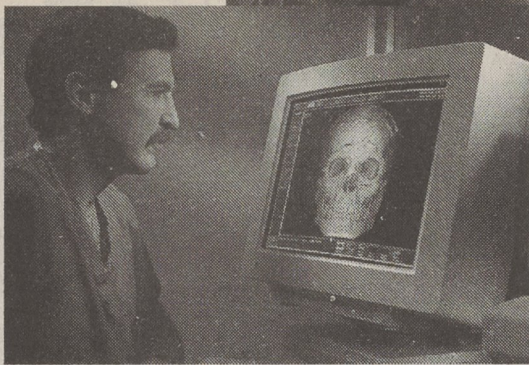

its incredible technology

and access to some of the finest

medical minds in America.

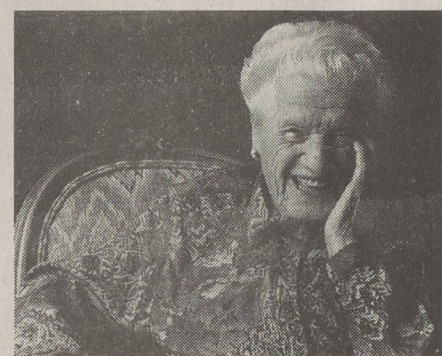

If I ever need them.

That is why I do not worry.

These Kings Mountain family physicians can unlock the power of The System for you. Call today for an appointment.
