WORSHIP GOD

"A FRIEND FOR LIFE"

Do you have a relationship in your life, one which really and completely fulfills your needs?

Does that relationship exalt the needs of another? Perhaps it is one which revolves around the spontaneous exchange of affection...one which thrives upon the togetherness of those that care. Most probably, that relationship asks little, yet gives much. The successful ingredients of such a twosome are likely to be such special qualities as faith, trust, unquestioning love, and unequalled joy.

Do you have the need for such a bond in your life? God is waiting for you in His house. Take advantage of this opportunity to make His acquaintance. You will find a friend for life.
