Report cards have a new look

Report cards in grades 4-5 will have a new look next year. Dr. Jane King, Assistant Superintendent for Instruction, said that the difference is that subjects are more delineated and that parents can see at a glance just where the student ranks on the basic curriculum of spelling, reading, and language arts.

King said that no scores are listed for music, art and Physical Education because those grades were traditionally recorded as satisfactory and non-satisfactory.

There are two additions on the report card concerning personal development. The student receives a score for taking pride in work and showing consistent effort in school.

King said that parents would be notified at mid-year if there was a possibility that the child would be retained.

King said the grading code is the same. She said the scoring model for writing is 1,2,3 and 4 and corresponds with a state assessment report given every nine weeks.

The Kings Mountain Board of Education approved the recommendations by the report card committee.

In other actions, the board set May 16 for the annual work session.

Local entries invited for Spring Art Exhibits

The Shelby Art League and Cleveland Community College will co-sponsor the Cleveland County Adult Artists Exhibition May 9-23 at the College Arts Center at Cleveland Community College.

Entries are limited to original paintings, drawings, sculpture and original art prints which have been completed in the past two years by adults 18 years or older, professional and amateur artists who are residents of Cleveland County and not previously exhibited in a Shelby Art League Show. There is a limit of two entries per artist and an entry fee of \$7.50 for one or two entries. There is no entry fee for Shelby Art League members.

Total awards will be \$2,050 with first prize receiving \$500. Second prize will receive \$350; third will receive \$200 and ten honorable mention awards of \$100 each will be presented.

The exhibit will be open to the public on May 9 through May 23. Hours are 10 a.m.-2 p.m. Monday through Fridays and from 6-8 p.m. Monday through Thursday.

Three KM students on Gaston honor rolls

Barbara Varner Philbeck of Kings Mountain is listed on the President's List for the winter quarter and Crystal Barrett and Kimberly Reeves are listed on the Honors List for the winter

quarter at Gaston College. A total of 26 students were listed on the President's List, six students on the Dean's List and 31 students on the Honors List.

Brown to lead Macedonia revival

Rev. Richard Brown, pastor of Sandy Plains Baptist Church in Gastonia, will be evangelist for revival services April 20-24 at Macedonia Baptist Church in Kings Mountain. Services are at 6 p.m. on Sunday night and 7 p.m. on Monday through Thursday.

Strader to speak at Central Methodist

Mrs. Evelyn Strader, retired missionary to India, will fill the pulpit at Central United Methodist Church April 20. She will also speak to several adult classes during the Sunday School hour.

A special offering will be received to help defray the expenses of the Mission Saturation weekend. Any monies over expenses will be divided between Project AGAPE in Armenia and the Ohio River Flood Relief.

Theatre Guild to present "Bus Stop"

The Lincoln Theatre Guild and Julius Blum will present Pulitzer Prize winner William Inges' play, "Bus Stop" April 17, 18 and 19 at 8 p.m. and April 20 at 3 p.m. at the Lincoln Cultural Center.

As a special promotion, \$1 will be donated to the Lincoln Education Foundation from the ticket price of any audience members stating they are a

friend of the Foundation.

"Bus Stop" is directed by Pete DeGregory who last appeared in "Godspell" in the John the Baptist role. The cast includes Theatre Guild veterans Charles Reep, Lydia Dunn, Mandy Harris and Michael Rollins. New to the Lincoln stage are Anita Wood, Adam Long, David Birdsong and Carl Dunn.

The setting for this often funny and wistful study of human nature is a diner/bus stop in a small Kansas town in the middle of a howling snowstorm. All

roads are blocked, and the weary travelers must hold up for the night. All the passengers learn something about themselves, love and tenderness and a young woman learns something about the world.

For ticket information call 735-ACT-I.

Kings Mountain Weather Report

(Compiled by Kenneth Kitzmiller)

	April 2-8	Year Ago
