Where Does An Eye-Care Professional Go For Personal Eye Care?

Well, veteran Shelby optometrist Dr. Blake McWhirter chose the Shelby Eye Center.

Several years prior to his recent retirement, Dr. McWhirter had cataract surgery performed by the Shelby Eye Center's Dr. Thomas Bailey.

Dr. Thomas D. Bailey M.D.

"I began to learn then," Dr. McWhirter says, "that we are fortunate to have medical doctors and surgeons like Dr. Bailey and Dr. Stephen Bogan practicing in this area."

Dr. Stephen J. Bogan M.D.

"I know from personal experience that I can entrust the care of my eyes, and can refer my friends and former patients, to Drs. Bailey and Bogan and their associates without the slightest reservation."

Dr. John E. Flack Optometrist

"I know Dr. Bailey, Dr. Bogan, optometrist Dr. John E. Flack and skilled optician John Ricker well enough to know that they deliver quality medical, surgical, optometric and optical eye care."

John Ricker Optician

"The folks at Shelby Eye Center have my complete trust and confidence."

We're Branching Out

This Summer

At Nephrology Associates of the Carolinas, our practice is really growing. We've recently added a new kidney specialist, SYED RIZWAN, M.D., and our Forest City office is moving to a larger facility in Rutherfordton.

Board certified in Nephrology and Internal Medicine, DR. RIZWAN will work with

DR. AHMED to offer experienced diagnosis and treatment of kidney disorders, diabetes and other illnesses.

These additions will allow us to continue providing the highest quality medical care. To schedule an appointment, call either office.
