

Booster Club to host bus ride to scrimmage

Kings Mountain High's Booster Club will sponsor transportation to the Raleigh scrimmage August 16 at Carter-Finley Stadium on the campus of NC State University. Twelve of the top 3-A and 4-A teams in North Carolina will participate in the benefit scrimmage. Seats on the bus are \$20 per person. Call Pam Leigh at 739-5463 or 739-8373 for reservations. Departure time will be 12 noon. Kings Mountain is scheduled to take the field from 6-8 p.m. against Northern Durham, Fayetteville Byrd and Garner.

Grants offered from local Foundation

Cleveland County Community Foundation is now accepting applications from non-profit organizations interested in applying for grants for worthwhile community projects. Priority will be given to seed grants to initiate promising new projects that cannot be covered by the normal budgets of existing charitable organizations. Deadline for grant applications is July 31.

Grant applications can be obtained by calling Robert W. Yelton, chairman, at 704-482-7718. Applicants must be qualified, charitable, tax-exempt organizations that serve local citizens. Areas generally not funded by the Foundation's Endowment Grants Program include capital campaigns, operating budgets beyond the seed level, publication of books, conferences, endowment funds, or grants to individuals.

Last year grants went to the Broad River Council and to the Shelby Composite Squadron 32050, Civil Air Patrol and the United States Air Force Auxiliary.

Boosters selling ads for football program

The Kings Mountain High Booster Club is soliciting advertisements for its 1997 football program.

This is the 75th anniversary of KMHS football and boosters say everyone in the area will want to be a part of the special 75th anniversary program.

Businesses, industries, churches, individuals and parents of players and cheerleaders are invited to purchase advertisements. The prices are \$100 for a full page, \$50 for a half page, and \$25 for a quarter-page. Advertisements for players and cheerleaders, which include a picture and brief

message, are \$30.

Donations of any amount will be accepted to help underwrite the cost of the program.

The deadline for submitting advertisements is July 15. Send a copy of the ad and a check to Charlie Smith, 1019 Brookwood Drive, Kings Mountain, NC 28086, or contact Smith at 739-2559 or Coach Ron Massey at 734-5647 ext. 35 for more information.

The Mountaineers are coming off one of their most exciting seasons in history. They went 9-1-1 overall last year, won the Southwestern 3-A Conference and set numerous school records for scoring, rushing and passing.

The Mountaineers are currently participating in weight training and passing league games and will begin preseason practice with a special "Mountaineer Madness" on

August 1 at 10 p.m. They will participate in a 12-team scrimmage at Carter-Finley Stadium in Raleigh on August 16 when they will battle perennial Eastern North Carolina powers Northern Durham, Garner and Fayetteville Byrd, and they will participate in the annual Gaffney Jamboree on August 21 against perennial South Carolina power Gaffney.

The Mountaineers will play an 11-game regular season schedule, including six games in John Gamble Stadium.

THE SCHEDULE

Aug. 29 - East Gaston; Sept. 5 - Bessemer City; Sept. 12 - at new Charlotte East school; Sept. 19 - at Shelby; Sept. 26 - Crest; Oct. 3 - Freedom; Oct. 10 - at Burns; Oct. 17 - R-S Central; Oct. 24 - at East Rutherford; Oct. 31 - at South Point; Nov. 7 - North Gaston.

Football season tickets on sale

Season tickets for 1997 Kings Mountain High School home football games are on sale at the Principal's Office at KMHS.

Season tickets for the six home games are \$25, a savings of \$5 off the gate prices. Season tickets also entitle the holder to an assigned seat in front of the press box. Single game tickets are \$5 each.

KMHS home games this year are against East Gaston on August 29, Bessemer City September 5, Crest September 26, Freedom October 3, R-S Central October 17 and North Gaston November 7.

To purchase season tickets see Sandra Bumgardner in the Principal's office or Coach Ron Massey in the field house.

Sniff. Look. Listen.

Although natural gas is one of the cleanest, safest energy sources available, there's a chance that a leak may occur. Of course, one of the best ways to detect a leak is to **SMELL** for the odor. Natural gas is normally odorless. However, as Scout says, "We add the smell, so you can tell."

There are two other ways to be safe: **LOOK** to see if your pilot or burner flames are reaching unusual heights. And, **LISTEN** for loud or unusual noises coming from your gas equipment.

If you notice any of these warning signs:

1. Leave the premises at once.
2. Do not strike a match or touch any electrical outlet, including light switches.
3. Go to a nearby telephone and call Public Service Company. We'll send someone right away to investigate.

Remember, use your good sense...of smell, of sight and of hearing. And call your local Public Service Company office if you have any questions or concerns.
