PHILIP A. WEATHERS, Principal

On behalf of the faculty, staff, and students at Kings Mountain High School I would like to congratulate our 1998 football team on an outstanding season! This years team has certainly provided our school, fans, and community with many special memories which will be remembered and talked about for years to come. A highlight for me was the game with A. L. Brown. I cannot remember in recent memory at a high school game where the entire visitors side of fans stood for an entire ballgame. The atmosphere was great for a high school football game.

I would also like to thank our community for all of their support! Your support was wonderful! During one week of the play-offs we sold close to three-thousand advance tickets. Our office was extremely busy, but it was a good busy. Then on Friday December 11th, our fans loaded ten buses on the way to Chapel Hill. It was an AWESOME SIGHT!

In closing I would like to say that I am very proud of the fact that our players exemplified good sportsmanship and that they represented themselves, the team, the school and the community in an admirable fashion. The 1998 Road to Chapel Hill was certainly an exciting one! GO MOUNTIES!

Sincerely,

Phil Weathers  
Principal  
Kings Mountain High School
