BASEBALL

From 1B

"It being a non-conference game we played some young men that had not been playing that much," Leigh said. "We knew East Gaston was probably going to hit the ball, and they did a good job of putting the ball in play. What we didn't realize was that we were going to have that many walks and that many errors, and it made it a very productive game for East Gaston."

"But we'll try to go with our veteran squad in the Easter tournament," he said.

Mountaineer ladies lose two in tourney

Kings Mountain High's girls soccer team suffered a couple of tough losses in last weekend's tournament at Crest, but Coach Dan Potter said the first-year team's performance was outstanding against a couple of established programs.

The Lady Mountaineers fell to Crest 2-0 Friday night and lost to Gastonia Ashbrook 2-1 Saturday.

Potter's ladies return to action this afternoon at Shelby, and then take a week off for Easter.

"Crest is by far the best team we've played so far," said Potter. "They were strong and we pretty much did all I thought we could do against them."

Kings Mountain had a couple good scoring opportunities in the first half but failed to make good on them, and the Lady Chargers scored late in the half to grab a 1-0 lead. Crest scored again with 10 minutes left in the game to account for the final margin.

"We had some tremendous defensive lay by many kids," Potter noted. "Lindsay Hamrick, who was chosen as the most valuable player from our team, did a real good job and made a lot of saves."

"I have nothing but praise for the kids," he added. "They did everything I thought they could do and a little bit more. It was

one of those cases where we were out-gunned, but I was real proud of their effort."

The Mountaineers played another outstanding game Saturday against Ashbrook, but the Lady Green Wave scored with 3:30 remaining to break a 1-1 tie and grab the 2-1 victory.

Kings Mountain scored 15 minutes into the game on a goal by Heather Kubu off an assist by Meredith Ware. The Lady Mountaineers had three other scoring opportunities in the first half but failed to connect.

"We probably outplayed them in the first half, but in the second half we seemed to just run out of steam," Potter said. "In talking with the other coaches, all four teams ended up having a hard time trying to play that second game Saturday."

"I really think the next time we play them we will have a more favorable finish," he said. "That was one of the unfortunate things about the timing of the tournament. We didn't get a lot of practice time in last week because the kids were involved in a lot of different activities at school. But we have a chance for redemption at Shelby Thursday and hope to finish up on a real positive note before beginning spring break."
