Grover plans Book Fair

Grover Elementary School will host a scholastic book fair April 22-29. The event encourages young readers by bringing

them the newest titles from more than 150 publishers. Students, parents and teachers can find old favorites and the

latest works by popular authors and illustrators, including Newbery and Caldecott award winners.

Participants at the book fair need to look for Classroom Wish Lists posted for each classroom. Teachers choose books they feel will be informative and stimulating and list them. Wish lists are then posted at the book fair. This gives family members an opportunity to purchase and donate a book to a classroom library. Their generosity is acknowledged by a bookplate with their name in each book they contribute. Admission is free. For more information call 734-5643.
