State President Carver presented a workshop for club-women spelling out the tenets of leadership. District IV President Clemmer distributed certificates designating Bessemer City WC, Kings Mountain WC, and the WC of Gastonia as Honor Clubs. Certificates for the Mother's Day Tea Campaign, for 1998- a special tribute to clubs who support the fight against Cystic Fibrosis- were presented to Gastonia Junior WC and Tri-Community WC. Mountain as the turning point of the Revolutionary War in the South and to the clubhouse which also had a lot of local history within its walls. Gamble further remembered that the club land was donated by one

of their charter members and that the building was completed in 1932. The clubhouse has been the central meeting place and the home of many civic improvement projects over the years.

Fredericks note 25th anniversary

Marty and Debbie Frederick celebrated their 25th wedding anniversary Saturday, June 26 at the Family Life Center of the Kings Mountain Church of God.

The activities were hosted by the families of the couple, Sue and Carl Strickland, mother and

step-father of Mrs. Frederick; Annie Ruth Frederick, mother of Mr. Frederick; and June Grigg, sister of Mr. Frederick. They were joined in their celebration by members of the original wedding party, friends, family and out-of-town guests. Guests enjoyed a variety of

hors' d'oeuvres, cake and punch. The room was decorated in the couples' original wedding colors, pictures of their wedding and accented with beautiful ceramic angels. Mr. and Mrs. Frederick and their daughter, Lindsay Brooke, reside in Richmond, VA.

County zoning meetings planned

The Cleveland County Chamber, along with representatives from Cleveland County government, is conducting a series of information and input sessions on countywide land-use planning and zoning. The sessions are scheduled to begin this month and will be held at sites across the county.

The schedule includes four sessions, each one on a Thursday, with the first one planned for July 22 at Boiling

Springs Elementary School. The second session will take place on August 5 at Bethware Elementary School, and the third will be at Township Three Elementary School on August 12. The final session will be August 19 at the Community Center in Lawndale. All sessions begin at 7 pm and additional sessions will be planned to accommodate senior citizens and other groups. Bill McCarter, Cleveland

County planning director, will be the lead presenter at each session. His presentation will focus on land use planning and zoning within the overall context of growth management. The discussions are free and open to the public.

The presentation on planning and zoning can be given by request for civic and other community groups. Request can be made through the Chamber by calling 487-8521.

County Republicans host first family day

The Cleveland County Republican Party held its first annual Family Day Saturday, July 10 at the Shelby Carousel. The Republican Party opened the carousel free to all families and their children from 10 a.m.-12 noon.

Rides on the carousel were paid for by the Republican party. Refreshments were also served. Over 100 people attended.

"The Cleveland County Republican Party did this both as a thank you to the public for electing a Republican majority to the County Commission, and more importantly, to give families a fun day at the carousel at no charge," said GOP chairman Tim Moore. "Politics has often become negative and controversial, we knew this event would

show a different side to politics and allow the public to know that Republicans truly care about families, not only about winning elections. We hope that this starts a more cordial and compassionate trend in politics in Cleveland County."

The Cleveland County Republican Party plans to hold

other family events in the coming months, Moore said. For more information, call Moore at 482-4441.

Perhaps you sent beautiful flowers or food or sent a lovely card. If so we saw them there.

Perhaps you sent or spoke kind words as any friends could say, or just sat quietly in a chair.

Perhaps you were not there at all, just thought of us in your prayers. Whatever you did to console the heart, we thank you so very much. Whatever the part, May God bless everyone.
