## East celebrates Dr. Seuss Day

Kindergarten, first and second grade students at East Elementary in Kings Mountain recently celebrated Dr. Seuss Day. The festivities included a story program by Christy Key from Mauney Memorial Library.

Other guests were Sandra Johnson from Time Warner Cable, and April Bridges from United Family Services. Johnson and Bridges dressed in tall, striped hat and cat outfits to portray Sues's famous "Cat in the Hat" character. Also helping with the program was second grade teacher Cathy Crawford.

For her performance, Key told the students the life story of Dr. Seuss and read selections from "Green Eggs and Ham." Each student received an activity book and book markers from the Communities in Schools program.

Good things to eat were much in evidence during Dr. Seuss Day. Parents contributed cupcakes, drinks, and chips for the students. Green eggs and ham were also on the lunch menu at East Elementary.

Born Theodore Geisel in Springfield, Massachusetts on March 2, 1904, Dr Seuss is one of the most famous authors of children's literature. He won the Pulitzer prize for his work in 1984 and two Academy Awards. He wrote and illustrated 44 books before his death in 1991.
