## Is It Possible To Raise Children In A Healthy Environment Without Sacrificing Health Care?

Living out in the country or in a small town is a lifestyle choice we should be proud to make. Sure, there may be trade offs, but access to good health care isn't one of them. For years Gaston Health Care has worked to bring you modern facilities, the latest treatments and a dedicated medical staff. As we broaden our reach to more communities, we've decided to adopt a new name, CaroMont Health. But we still have the same strong commitment to the health of your family. Wherever you are.
