Kings Mountain High School students Adam Hall, Megan Spicer and Kerri Brutko received diplomas from U.S. Rep. Sue Myrick during graduation ceremonies for members of her Ninth Congressional District Youth Advisory Council Monday night at Belmont Abbey College.

The YAC was created in an effort to involve young people in government and their communities. High School students were selected through an application process and served a one-year term.

Myrick said Council members are selected based on their interest in government, academic achievement, and enthu-

siasm for learning and community involvement.

The YAC includes 40 members. A main goal of the program is to encourage volunteer projects in the community. Students participated in Habitat for Humanity, after school tutoring, and organized a blood drive.

KMHS senior play Friday and Saturday at Barnes Auditorium

The Kings Mountain High senior class is gearing up to perform "A Night of Entertainment" Friday and Saturday at 7:30 p.m. at B.N. Barnes Auditorium.

Admission is \$5 for adults, \$4 for students and \$3 for senior citizens.

The entertainment is a set of one-act plays, skits, songs and dances performed by seniors with help from drama and chorus students.

The theatrical traditions of having a senior play at KMHS dates back to the 1920s. KMHS

is the only high school in the area that still has a senior play

"We may be the only school in the world that still produces a senior play," said Director Betsy Wells. "I know it's not done at any other high school in Cleveland County. But I have been directing this event since becoming the drama teacher in 1979-80. I personally believe it's a great tradition to continue.

There's nothing more unifying for seniors. We always have a good number of the class involved in one way or another."

Choreographer is Jane Campbell Kiser. Technical Director is David Wells, Assistant Technical Director is Melissa Wells.

The performance is dedicated to KMHS senior Sharon

Elizabeth Ellis, who was recently killed in an automobile accident. Sharon had told Mrs. Wells that she planned to try out for a leading role in the play.

The play will feature the senior class song, "It's So Hard to Say Goodbye" by Boyz II Men.

The individual acts include:  
Balloonist Duo Lobby - Rachel Robinson and Julie Padgett.

I Believe I Can Fly - Kristen Feemster and Cheryln Cole.

Limited time offer. This offer is limited to home equity loans or lines of credit for purposes other than home purchase. The APR on your loan or line will be based on the term selected and the loan-to-value ratio (LTV) and in the case of an ALL-IN-ONE Home Loan, also whether or not a balloon payment applies. As of April 1, 2001, an APR of 8.70% was available on a Home Equity Loan of \$20,000 with an LTV of 80% and a term of three years. An APR of 8.95% was available on a Home Equity Line of Credit amount of \$20,000 with an 80% LTV. This Home Equity Line of Credit APR is a discounted rate that will remain in effect for the first three months. The current indexed APR for this product is 9.00%. This rate is subject to change but will never increase to more than 16.0%. An APR of 8.25% was available on an ALL-IN-ONE Home Loan (fully amortizing) of \$20,000 with an LTV of 80% and a term of three years. Actual closing costs apply for loan or line amounts over \$150,000. On a Home Equity Loan, ALL-IN-ONE Home Loan or Home Equity Line of Credit of \$151,000 closing costs are typically \$1,020. Property insurance is required regardless of loan or line amount. No payment of principal and interest is due for 90 days; however accrual of interest commences with disbursement of loan funds, and your monthly payment for the rest of the term of the loan will include interest for the first 90 days. The 90-day no-payment option is not available for home equity lines of credit. Up to 110% LTV is available on homes valued up to and including \$300,000. Consult your tax advisor about deductibility of interest.

\*A voucher for a free roundtrip airline companion ticket is available upon funding of your loan when you open a CCB personal checking account with direct deposit. The companion ticket voucher's value will vary depending upon the value of the purchased ticket and must be redeemed within one year of receipt. Other restrictions apply. Please see your banker for additional details. Interest is paid on certain checking accounts if the collected balance is \$1,000 or more. The interest rate paid is based on the type of account and on the branch location in which you open your account. For example our Interest Checking account currently pays a 0.40% annual percentage yield (APY) on all collected balances if the account is opened at a branch location in the Raleigh area. There is a \$100 minimum opening deposit requirement in order to receive this free ticket.
