Crest High School  
800 Old Boiling Springs Rd.,  
(704) 482-5354

School is back in session and as events literally reshape history, educators find it appropriate to teach students from living textbooks which updates themselves each week.

Teachers in our area are using their hometown newspaper to both teach and inform with current subject matter each week. Many schools also utilize the newspaper as a source to enrich their studies in math, cultural arts, geography and more.
