Rashes, cold sores and bee stings.

Now in one convenient place.

Got a health care question? Simply log onto caromont.org. You'll find answers. We've created a website with tons of information

about all kinds of health-related topics. From bee stings and rashes to breast cancer. It's all there, just waiting for you.

At CaroMont Health, our goal is to provide you with the finest

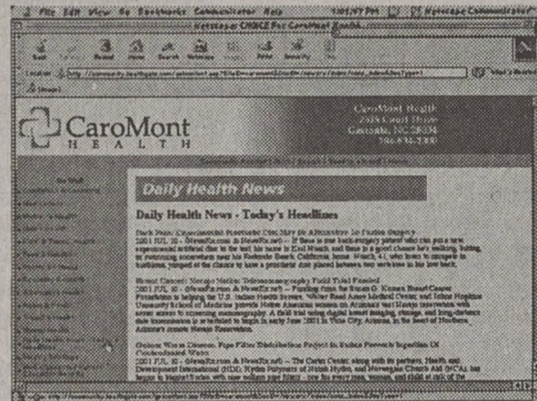

health care services. From the Comprehensive Cancer Center and our state-of-the-art operating rooms to The CaroMont Heart Center and

our new Neonatal Intensive Care Unit. The next logical step in our

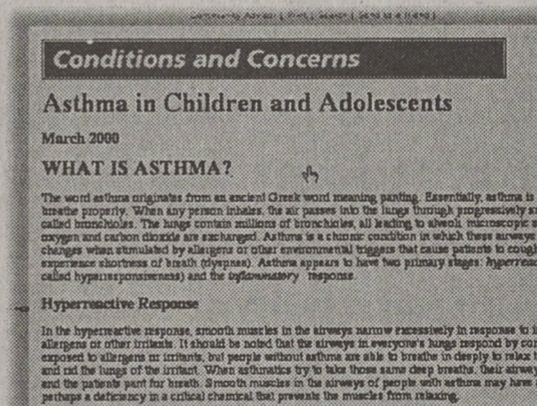

mission is to bring a world of information to our patients and the

community at large. And our new website makes that possible. We

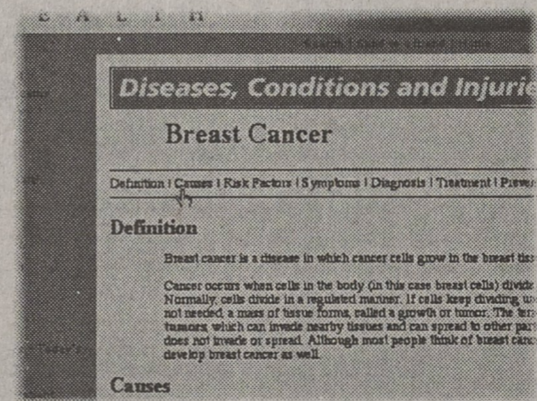

hope you find caromont.org helpful. It belongs to you.

You'll find the latest health care news, so you have a good reason to visit caromont.org every day.

It's family-oriented, so you and your children can sit down at the computer and learn together. In fact, we've devoted a lot to kids' and teens' health in our Be Well section.

When a loved one has an illness, it's natural to want to find out everything you can. So we've made it easier on you, by providing a virtual health care encyclopedia.
