Dear Santa,

My Christmas wish is to help all the kids all over the world! I also wish that Santa would help America win the war by giving the army more ammunition to fight with. My third Christmas wish is for people in school to get better grades than what they have now. I hope that all my wishes will come true! Have a Merry Christmas!

Dear Santa,

My Christmas wish is to help all the children that do not have a lot. My other Christmas wish is to win the war and to wish every child a Merry Christmas who has their parents fighting in the war and I hope that the people that the terrorists attack will ask God for forgiveness and he will forgive them for what they have done. I hope all my wishes will come true. Merry Christmas to you.
Your friend, Emily
