Football parking and gate policies

Kings Mountain High will be introducing the following changes to football gate policies this year:

Only persons who purchase parking passes from the Booster Club will be able

to park in the parking lot behind Gamble Stadium. Parking passes are \$10 and may be purchased from any Booster Club member or at the concession stand. Booster Club memberships and gold cards can also be purchased at the concession stand.

Cars may enter through the "KM" gate behind the field house, but they must exit on Phifer Road at Kings Mountain Middle School. After the Booster parking lot is full the KM gate will closed.

Senior citizens ages 65 and older can obtain a senior discount card at the principal's office, allowing them to get in the games for \$3 rather than \$5. Mountaineer Gold Cards that were given in the past will continue to be honored.

Anybody using a free pass of any kind must enter and sign in at the "pass gate" behind the field house. That includes press, Mountaineer Gold Card holders, and students and staff who are legitimately entitled to free admission.
