

FACES AT THE FAIR

A FAIR TIME

The 78th annual Cleveland County Fair is a popular place this week for area residents. Here's a look at scenes from the fair Sunday afternoon.

At top, fair goers stroll the midway outside of the barn. Above, a youngster tries his luck at the frog jump game. At above left, several children participate in the ping pong toss and at lower left, a crowd of people pet and feed the goats and sheep.
