Golf tourney raises money for scholarships

By KAMIE CHAMPION
Hook-Up Staff Advisor

Kings Mountain Country Club played host to the third annual Mary Ann Hutchins Memorial Golf Tournament Saturday.

"This tournament is our family's way of getting information about breast cancer out to the public," stated Buffy Murphey. "My mother lost a five-year battle with breast cancer and we want to do everything we can to promote breast cancer awareness. A golf tournament was the obvious choice because my mom and dad loved playing golf together."

The family uses the proceeds from the tournament for a scholarship to a KMHS senior or seniors planning to

pursue a career in the medical field. The family has presented a total of \$5,000 over the past two years and plans to award two \$1,000 scholarships this year.

"This was an overwhelming year for the golf tournament," said Tammy Hutchins Hogue. "I was excited to see the number of golfers that participated. It is my hope that the tournament will grow each year in order for us to provide more scholarships. A cure for breast cancer is possible through efforts such as these."

Chris Hutchins noted that he was glad the tournament was a huge success. "It is a way to honor my mother for her battle with breast cancer."
